

Accutome Connect™ Conversion Instructions

REV - B

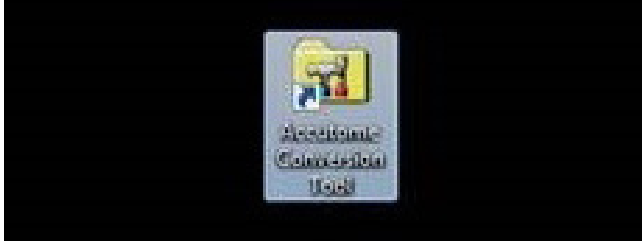

Converting Files for Connect Software

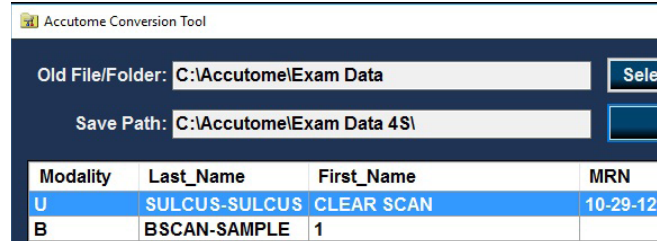

Quick Guide

This guide shows how to convert pre-existing Accutome A-Scan Plus Connect, B-Scan Plus, and UBM Plus patient files to be viewed in the Connect Software.

- Step One:** Locate and double click on **Accutome Conversion Tool** icon.

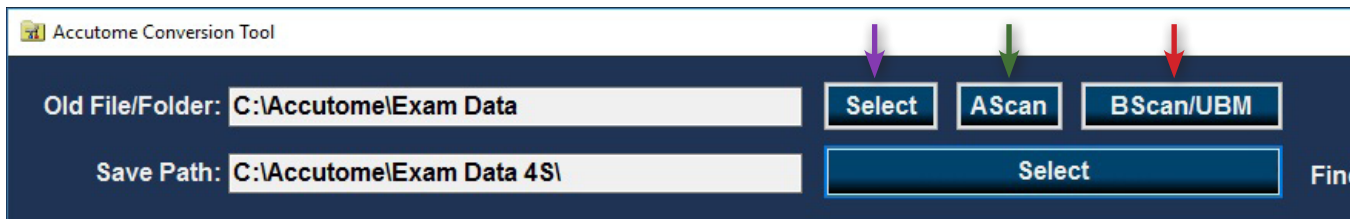

- Step Two:** Select Old File/Folder location for Exams you would like to convert.

[Selecting the **A-Scan** button will show the default A-Scan folder on the computer]

[Selecting the **B-Scan/UBM** button will show the default B-Scan/UBM folder on the computer]

[If the patient folder is in a separate location, use the **Select** button to search for folder]

- Step Three**

A-Scan

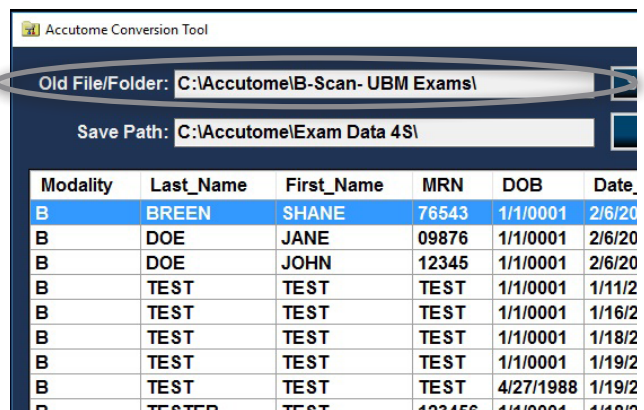

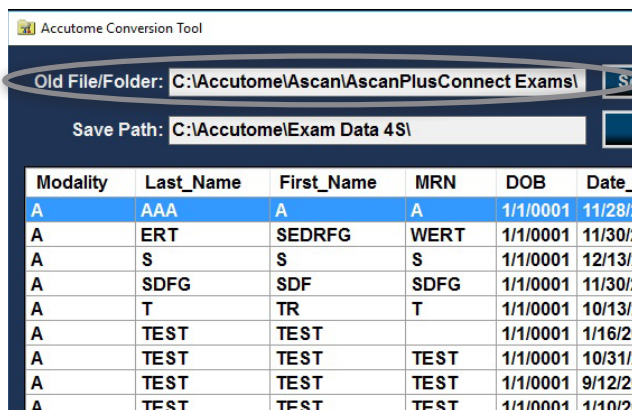

- After Selecting the **A-Scan folder** in **Old File/Folder** section. Select all exams you would like to convert for Connect Software.

[To select multiple files, press and hold the **Ctrl** key while making selections with the mouse]

Note: A-Scan and B-Scan/UBM exams need to be converted separately.

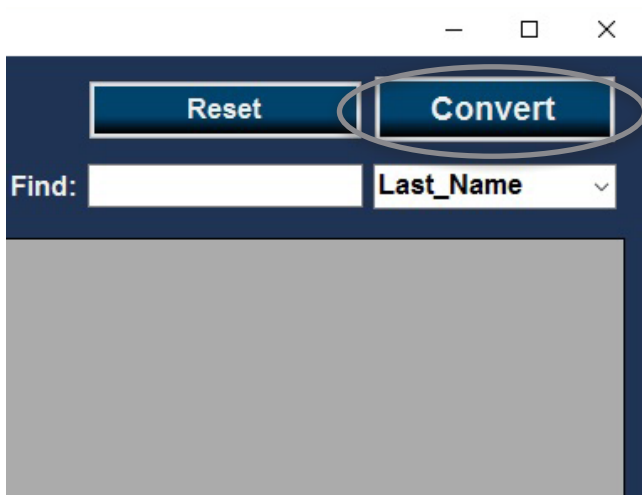

B-Scan/UBM

- After Selecting the **B-Scan folder** in **Old File/Folder** section. Select all B-Scan/UBM exams you would like to convert for Connect Software.

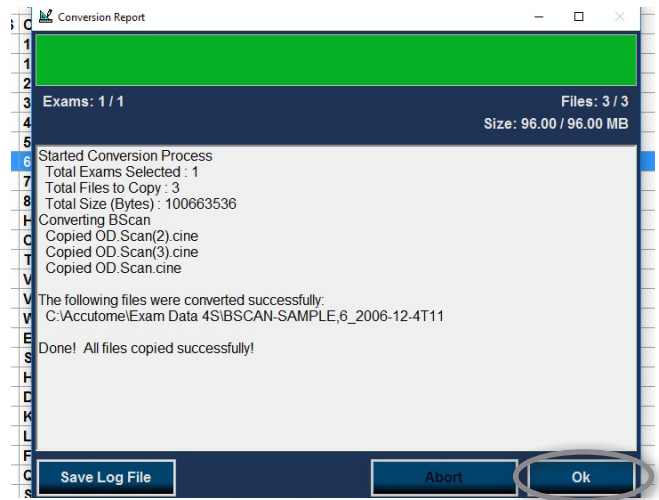

Installation Instructions

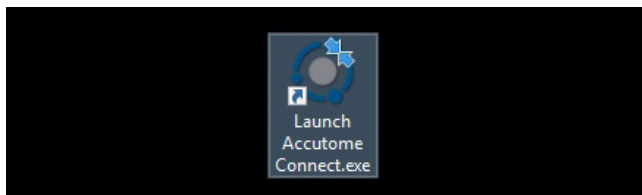

- Step Four:** Once all desired exams are selected, Click **Convert** icon.

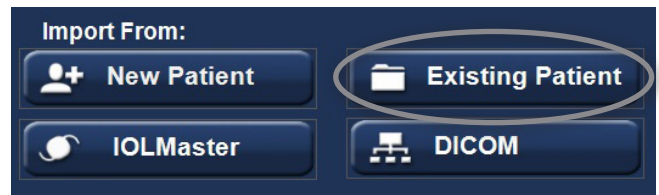

- Step Five:** Conversion will begin (Allow time for all files to convert) once copied, Click **Ok**.

- Step Six:** Close Conversion Tool.
- Step Seven:** Launch Connect Software Icon

- Step Eight:** Select **Existing Patient** icon
- Step Nine:** Converted Patients will be available to Select and Review in Connect Software.
