## **DICOM Worklist and PACS**

- 1. Launch Accutome Connect software.
- 2. On the Connect Home Screen select the DICOM Button.
- 3. "Search Worklist" will search Today's Date (uncheck box to search thru all dates)
- 4. Click "Search Worklist".
- 5. Patients will load in the list, Double Click on desired patient.

6. Patient's information will load on the home screen.

7. Within the "Indication of Scan" window, scans requested for the patient will be listed.

E DICOM

- A-Scan
  - Capture scans
  - Proceed to IOL calculation Screen
  - Enter Information and perform Calculations
  - Save Changes
  - Export to DICOM
