Keeler
rewards club

Join our rewards club and you'll be eligible to earn points whenever you shop or re-stock from our wide range of pharmaceuticals and clinical supplies.

With a point given for every dollar spent, and the opportunity to redeem at any time throughout the program year (September 1st to August 31st), your purchases could see you on your way to redeeming one or multiple rewards from our extensive range of diagnostic equipment.

Check out all the rewards available within this years program, together with the qualifying number of points you'll need, to redeem.

Here's what you need to know

- **Rewards club enrollment** – There is no cost to join our rewards program. Simply complete and return our enrollment form, making sure your form is signed by a practice manager.
- **Qualifying spend** – You may enroll at any time throughout the program year, however retroactive spend will only count towards your reward point status, if you enroll by May 31.
- **Earning reward points** – Only purchases from the Keeler clinical line that are invoiced during the applicable period (September 1, 2026 to August 31, 2027) will qualify towards your reward point status. Shipping charges and the value of products purchased from our diagnostic equipment line do not count towards your account value.
- **New! You can now buy points!** – If you have your eye on a reward but are unlikely to reach the next tier before your current reward points expire, you can now purchase extra points to boost your balance! Reward points cost 25¢ each. You may purchase additional points up to a maximum of double your current point balance.
- **No cash value** - Please note that Reward points have no cash value and can only be redeemed for equipment by reaching a qualifying tier. Buying points is a direct, one-way transaction. The program does not issue credits, partial refunds, or account balances back to your payment method after the purchase is complete.
- **Reward point status** – We will contact you periodically with an update on your reward points status. In between, you can ask your Keeler sales representative or one of our customer service team for an update.
- **Redeeming reward points** – You may redeem points for one reward, as soon as you reach the qualifying tier level, or continue to save rewards to reach the next tier. To redeem points, complete a redemption form and send it to customerservice@keelerusa.com.
- **Reward points expiry** – Rewards must be redeemed before the end of the program year (August 31st), as points do not rollover. Your account balance will reset to zero (0) on September 1st.
- **Excluded costs** – If your reward equipment requires on-site installation or training, these will incur additional costs.
- **We reserve the right** to modify or cancel our rewards club program at any time.

Got a question? Please contact **customerservice@keelerusa.com**
